2021-22 Themes

March 21st 2021 Rainbow

(Linked text - Genesis 9:13-15)

The rainbow was a symbol of hope, from God to the human race. This month's theme is colour, and the joy it brings. The project this month is six colourful photos.

April 18th 2021 'I am' - Easter Hope

(Linked text - John 11:25)

Jesus is the resurrection and the life. We tend to concentrate on the bringing back to life from death bit...but the life promised, now, is abundant life. Where do you find hope this Easter time? What does abundant life look like to you?

May 16th 2021 'I am' - Bread of Life

(Linked text - John 6:35)

Whoever believes in me will never hunger, or thirst. Capture images of those things which for you personally, sustain, physically, mentally and spiritually – ideally some of each!

Jun 20th 2021 'I am' - The Door

(Linked text - John 10:7-10)

and their thresholds represent significant decisions, liminal moments between places, or lifestyles. What are or were the doors, the decision points, in your life, and in our community?

Jul 18th 2021 'I am' - The Good Shepherd

(Linked text - John 10:11-18)

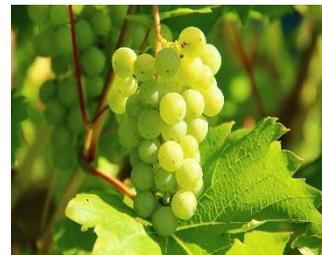

Our images today, might be of actual Shepherds and Sheep, or others who demonstrate the same characteristics of Shepherds the text is exploring.

Sep 5th 2021 'I am' – The True Vine

(Linked text – John 15:1-17)

Our relationship with Jesus, and through him, one another, is the source of our life, but bearing fruit sometimes requires judicious pruning (tough love perhaps!). Our photos this month should capture different sorts of relationships that explore these ideas.

Oct 17th 2021 'I am Sayings' The Way

(Linked text – John 14:6)

The first Christians were described as followers of 'The Way'. Living life, as Jesus taught. Our images today reflect on guidance, of all kinds in our lives, and how we receive it, and offer it to others.

Nov 21st 2021 'I am Sayings' - The Truth

(Linked text – John 14:6)

A follow-in from last month, The Truth. One of the challenges of our society today, is where do we find truth. This month's challenge may utilise screenshots, as much as cameras. What are the sources of our information, how do we weigh their truth? Who do we trust?

Dec 19th 2021 Remembering

(Linked text – Deut 24:18)

Time after time the bible urges the people of God to remember their past, and use it to inform their values and the ways in which their future might be better. This week, indulge yourselves with six memories of the year, which were significant for you, and tell us why they might shape the year ahead.
